

DEQSTER
Better Impact on education

PRODUCT SOLUTIONS 2026

We understand Education! 100% integration with the iPad Education ecosystem.

DEQSTER: Better Impact on Education & Corporate.

BETTER EQUIPMENT FOR iPad. OUR PROMISE IS SIMPLE: WHEN EQUIPMENT WORKS, LEARNING HAPPENS!

DEQSTER develops smart equipment for education that doesn't require separate charging or pairing – built for continuous use in everyday school life. The portfolio is tailored specifically for schools: durable, sustainable, and precisely aligned with the needs of students and teachers. With DEQSTER, there is MORE TIME FOR TEACHING.

For the complete iPad equipment ecosystem, we deliver not just equipment – but trust. Over 1 million users worldwide already rely on DEQSTER, because great learning requires TOP solutions. DEQSTER stands for one-stop shop! From rugged keyboard cases and intuitive styluses to modular charging and transport solutions: everything we create is developed in Hamburg with and for schools, tailor-made for iPad, and 100% integrated. No compromises!

Since our founding in 2020 in Hamburg, we have pursued one clear mission: to make education better. DEQSTER stands for sustainable, functional, inspiring, and smart solutions for everyday school life. Instead of solving technical issues, teachers can focus on teaching. Reliable support with service based in Germany. Product management (developers & designers) is located in Hamburg, ensuring short decision-making paths and fast execution.

Less stress Made for everyday teaching
Built for schools
More time for education Ready for rough daily use

Less chaos. More class.

Everything for the digital school and work day.

Modular solutions for iPad, tablets, and digital learning environments.

Protects the iPad. Inspires children. Supports teachers.

KIDS CASE

MORE PROTECTION. MORE FUN. MORE LEARNING.

The kid-proof iPad case with clever handle, screen protector, and stylus holder – perfect for school, home, and on the go.

The DEQSTER Kids Case is specially designed for little explorers. Whether in daycare, elementary school, or at home, this case reliably protects the iPad while bringing joy to everyday life. Thanks to soft EVA foam, an integrated handle, and a smart stand, it is safe, practical, and versatile—ideal also for children with special educational and inclusion needs.

Benefits for everyday use in education:

- Shockproof & soft: Made from ultra-light EVA foam – free of plasticizers, 100% child-safe.
- All-around protection: Includes hardened display glass (9H) – scratch-resistant, shatterproof, and clear.
- Ergonomic handle: Perfect for small hands – also doubles as a sturdy stand (portrait and landscape modes).
- Modern stylus holder: Compatible with DEQSTER Pencil Lite, Pencil 2, and other common models.
- Colorful & durable: Available in 4 cheerful colors – shock-resistant and drop-tested.

DETAILS AT A GLANCE:

Tangible relief & support in everyday school life.

TOPLOADER TROLLEY TT 32

PRACTICAL. COMPACT. BOXY. FANTASTIC IN THE CLASSROOM.

The DEQSTER Charging Trolley TT32 – Ergonomic, quiet in operation, built for everyday school life. Designed with your health in mind: no bending, no back pain. Universal charging made easy – for iPad, tablets, laptops and more.

With the TT32, device management gets a new perspective – from the top down. This top-loading trolley, made of robust powder-coated metal, is purpose-built for heavy use in schools. Thanks to its ergonomic design, it operates entirely without doors – all devices are easily accessible from above. That saves space, time, and effort in the classroom.

Benefits for everyday use in education:

- Charge up to 32 devices at once: iPad, tablets, or laptops up to 15.6" – even with DEQSTER Kids Case and keyboard cases.
- Toploader design: Barrier-free access thanks to all-around top-loading.
- Safe & smart: Protection against short circuit, overload, and gentle power-up with soft-start function.
- Efficient & tidy: Cable management via integrated side channels.
- Quiet & maintenance-free: No charging cycles required; active fans with automatic control.
- Included: 4 wheels (2 with brakes), integrated lock with 4 keys.

Optionally available

DEQSTER 4-Tablet Bag:

- Perfect handout to pupils & students
- Carrying strap: with color device group indicators
- Padded device compartments
- **Shockproof bottom & strong nylon material**

DETAILS AT A GLANCE:

- 32 charging bays, compatible with original power adapters or DEQSTER chargers
- Optional switch integration enables Wake-on-LAN functionality (depending on compatible laptop design)
- Roll-top lid with safety bar to protect against pressure load
- Separate, ventilated compartment for power adapters
- Technical safety features: short-circuit, overcurrent, and overload protection
- 5" wheels (ø 127 mm) for maximum mobility

*Optionally available: USB-C charger and charging cables

Tech built for everyday use.

CORE TROLLEY CT 32

ROBUST. SAFE. READY FOR THE CLASSROOM.

DEQSTER CT32 Core Trolley is an innovative charging cart that offers secure device storage. No hassle. No noise. Maximum impact.

It holds up to 32 laptops or 32 iPad/tablets including protection cases. Designed for heavy daily use in schools, it impresses with safe charging, quiet operation, and a well-thought-out, compact design. The 270° front door opening ensures convenient handling in everyday school life. Typical DEQSTER!

With the CT32, DEQSTER enables hassle-free device management – right in the classroom. That way, you can focus more on your teaching.

Benefits for everyday use in education:

- Holds up to 32 laptops (up to 15.6") with simultaneous charging via original power adapters.
- Optional switch integration available for Wake-on-LAN functionality (on request and at additional cost).
- Charge up to 32 iPad/tablets at once – compatible with iPad up to 10.9"/11" (A16), – even with the DEQSTER Kids Case (more space than standard charging carts!).
- Integrated cable management for each compartment.
- Maximum safety: protection against short circuit, overload, and gentle power-up (soft-start).
- Quiet & maintenance-free: no cycle charging required.
- Lockable: combination lock with master key (front) and separate tech door (rear).
- Easy access to the dedicated rear technical compartment.
- Each CT32 comes standard with 4 wheels, including 2 lockable castors (diameter: ø127mm / 5" wheels).
- Made from durable, powder-coated metal.

Compact. Smart. Fully compatible.

CHARGING CUBE CC 12

SPACE-SAVING CHARGING. MODULAR THINKING.

The DEQSTER CC12 – easy to integrate, securely locked, USB-C ready.

With the CC12, we create order and efficiency in the tightest of spaces. Everything stays neatly organized! The DEQSTER Charging Cube is a compact all-in-one system for simultaneous charging and storage of up to 12 tablets/laptops – fully compatible with all DEQSTER cases. Thanks to its vertical slot architecture, even large Kids Cases or Rugged Keyboards fit in effortlessly.

Flexible use – on a table, in a cabinet, or mounted on the wall (mounting bracket optional). The retractable, lockable roll-up door protects the devices reliably and ensures a clean, organized look in the classroom or, for example, in your office.

Benefits for everyday use in education:

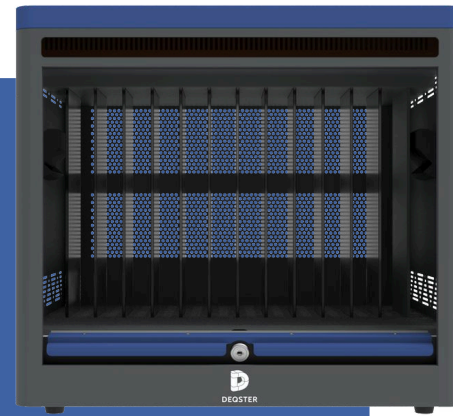

- Charge up to 12 devices simultaneously: USB-C devices up to 15.6"
- Compatible: fits wide keyboard cases & Kids Cases
- Modular integration: freestanding, built into furniture, or wall-mounted (bracket optional)
- Lockable roll-up door: for secure access
- Supports: fast charging (PD & QC)
- Full control: viewing window for individual LED charging status indicators

Optionally available

DEQSTER 4-Tablet Bag:

- Perfect handout to pupils & students
- Carrying strap: with color device group indicators
- Padded device compartments
- **Shockproof bottom & strong nylon material**

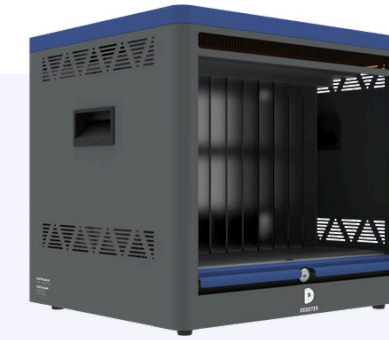

DETAILS AT A GLANCE:

- USB-C outputs with 45W each & individual LED charging status indicators
- Supports Power Delivery (PD) & Quick Charge (QC)
- 12 vertical slots with rubberized base for secure placement
- Optional: wall mount with locking mechanism
- Space-saving design with roll-up door

Included
12x USB-C-cable
(30 cm)

DEQSTER
Better Impact on Education

DEQSTER ACCESSORIES

Because learning is clearer when the view is unobstructed.

SCREEN PROTECTION MAX & LITE

CLEAR VIEW. STRONG PROTECTION.

Display protection solutions for everyday use – robust, brilliant, reliable.

Whether in work or educational environments, iPad are used daily. That's why strong display protection against scratches, cracks, and dirt is essential. Our protective glass is specially designed for protecting your device and can be applied quick, easy and bubble-free.

Benefits for everyday use:

- Highest hardness rating: Tempered glass (9H) protects against scratches, drops, and breaks.
- Perfect usability: Ultra-HD transparency and maximum touch sensitivity.
- Bubble-free: Easy to apply thanks to premium adhesive layer – ideal even for class sets.
- Anti-fingerprint: Fewer smudges, less dirt – more clarity.
- Case-safe: Compatible with all DEGSTER cases.

Secure hold and residue-free removal.

Anti-fingerprint-coating

AVAILABLE VARIANTS:

- Display Protection Max: Premium version with reinforced edges and retail packaging
- Display Protection Lite: Lightweight model in bulk packaging for large classes and budgets

DETAILS AT A GLANCE:

- Tempered glass, 0.44–0.45 mm
- Rounded edges for comfortable feel
- Supports fingerprint sensors
- Optimized for touch, writing, and drawing functions
